The proposal of the D.G. of Prisons may be sanctioned. Boots would certainly be more useful than sandals The police men employed on Bandobast and escorts are given boots. The extra cost is not much

No. C. 244-2 Encl. one Office of the Inspector-General of Prisons in Mysore, Pris 13-27-1

Dated Bangalore, 16th August 1927.

Nos 17/8

To

The General Secretary to the Government of H.H. the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to forward herewith, for favour of perusal, copy of letter No.1253/F. 32 dated 5th August 1927 from the Superintendent, Bangalore Central Jail, in connection with the issue of ammunition boots to the Warder Establishment of the Jail instead of Sandals and to request that sanction of Government may kindly be obtained for the same so that the Jail Warder Establishment may similarly be equipped as in the case of constables in the Police Department.

The extra cost involved will be met from the provision available in the current year's Budget under "Uniform and equipment of Warders"-" 19 Jails & Jails and Lock-ups".

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

I have the honour to state that the existing practice is to supply leather sandals to the Warders along with Uniforms. I recommend the issue of ammunition boots in lieu of Sandals as Sandals will not last for one year, but wear out in 3 or 4 months necessitating constant repairs, while boots might last at least 1½ years. Sandals are besides not only inconvenient but a hindrance for warders during drill and to run after prisoners who flee avoid being caught committing Jail offences. Apart from this, warders also complain that chrome sandals affect their eyes and cause head-ache during the hot weather and during nights they dont afford adequate protection against snakes and scorpions. Lastly it may be added that the City and Civil and Military Sattion Police are given boots and these are the only subordinates belonging to a kindred Department that are not given boots. I request thereofre that sanction of Government may kindly be obtained for the supply of ammunition boots in lieu of Sandals from the current year. The difference of cost a detailed in the margin will amount to Rs. 220-6-0 which will be met from the provision made under the head "Uniform and Equipment of Warders" under "19 Jails - 2 Jails and Lock-ups" in the current years Budget of this Jail.

A pair of ammunition boots costs	Rs. 4-8-0	
A pair of sandals costs (Last year's contract rate)	" 2-2-0	
The difference. .	2-6-0	
The Total number of boots required for this Jail:-		
20 .. 1st Grede "arders	77	
40 .. 2nd do-		
17 .. Temporary Warders		
The Total Difference therefore amounts to 77 x 2-6-0		Rs. 220-6-0
